Polished World of Imagination

The work of artist Jasna Gopic will be on exhibit at the Arts Council **August 25-October 17.**

Jasna Gopic

Jasna Gopic a native of Serbia. She likes to combine different styles of art, and eventually came across a new technique. Her passion is drawing with nail polish on glass. The only tool she uses is the brush that comes with the nail polish bottle. Also, she uses a magnifying glass to add detail to her artwork. When she draws, she employs a variety of mediums and materials. Her artwork comes in many sizes, from miniatures to 48"x36". Jasna focuses on a large scope of work such as city scenes, still life, landscape, and abstract. She has participated in individual and group art shows in Europe as well as Michigan. Besides using nail polish, she also uses acrylic, oil, graphite and color pencils, and she is a photographer.

You are cordially invited to a special reception with the artist at the Arts Council, 532 Ottawa NW.
